

## 2021 IGSSA CARNIVAL REGULATIONS

**AGE** as at 1<sup>st</sup> January 2021. There is no limit to the total number of swims per individual, however swimmers are not permitted to swim in more than one age group per stroke, and in either of the 100m freestyle or individual medleys. Swimmers are also limited to one freestyle relay and one medley relay.

**Please note: Year 6's are now permitted to swim in the IGSSA swimming carnival (as from 2019 onwards)**

All strokes must be correctly performed in accordance with the rules of SWIM SA.

**Warm-up Procedures:** The warm-up commences at 11:00am. **It would be appreciated if all schools could ensure an adult supervises their swimmers during warm-up** to ensure the following procedures are followed to ensure the best possible conditions for all swimmers and prevent any collision injuries.

**IMPORTANT – Please use the lane allocated to your school for the day. Ensure swimmers circle the lanes. Swimmers are not to stop at the mid-point of lanes and should refrain from holding onto lane ropes.**

**Changes to entrants – need to be submitted to the recording room by 10:30am on the day of the meet.**

**Marshalling:** Remember your lane number and event number. In all cases your lane number will remain the same throughout the day. Listen carefully to the announcer's call for time of marshalling of your event and to the Chief Marshal in the marshalling area.

**Lane draw:** You will have the same lane all carnival. All Schools are in the 'Shield' comp again this year. The lane draw has been allocated on a rotational basis (moving 2 lanes 'up' each year).

Lane 0	1	2	3	4	5	6	7	8	9
Sco	Wal	Wild	Imm	St P	West	Conc	Sey	Pem	PGS

**Please note:** competitors are asked to report to marshal room when their event is called by the announcer (this is adjacent to the pool deck).

**Start:** There will be no introduction of swimmers prior to the event. For freestyle, butterfly and breaststroke, on the Referee's whistle step onto the starting block. On 'take your mark' move quickly into your starting position (at least one foot must be at the front of the block) and remain steady. Do not move until you hear the electronic beeper. **IGSSA use the two false start rule (ie a second false start in the race will be a disqualification to that athlete, irrespective of who did the first false start).**

For backstroke, on the Referee's whistle enter the water, on the second whistle grab the starting handles. On 'take your mark' pull yourself into the starting position and wait for the electronic beeper. Swimmers names won't be announced. They will appear on the electronic scoreboard.

**Finish:** After the completion of your race, remain in the water in your lane until the Referee's whistle is sounded and leave the pool by the side, not over the end. Touch pads are in use, with results to appear on score board. If touch pads faulty, times decided by the back-up timekeeper for that lane.

**Relays:** Four swimmers compete in a relay, the Medley relay is swum as follows: Backstroke, Breaststroke, Butterfly then Freestyle.

**Championship race:** The IGSSA 50m Championship was held for the first time in 2011. The fastest swimmer for each school will be established after the individual 50m Freestyle events early in the program. The 50m Championship event will be the first event post lunch break.

**Electronic Scoreboard:** Swimmers names appear on the electronic scoreboard, as do event results.

**Disputes:** Any disputes over placings or times MUST be directed through school sport/swim coordinators.

**Entry:** please ensure students are respectful to others at the venue. Positions in the stands will be allocated to each school. Please ensure you remain in that area.

All stands are to be left in a **clean and tidy state** after use and all rubbish put into the bins provided. All schools are asked to ensure that their spectator area has been cleaned.

Please **do not stand** on the seats. Stairways should be kept clear at all times. **Change rooms** are available and will be patrolled. Please do not leave any valuables in change rooms.

**This year a break will appear in the program to ensure the swimmers get a rest. The 15-20min break will be directly after the backstroke races (therefore the Freestyle and Backstrokes are complete).**

**Other important info:** We are at a high quality, public location, so all areas other than the pool, marshalling room and changeroom/toilets are strictly out of bounds. Pool staff will see to any **first aid** situation that may arise. Events will not be delayed due to the lateness of a competitor. Schools are encouraged to ensure students bring their own food where practicable.

**Uniform** – The same as for SSSSA swimming, ie must have bare back, and must be a one piece suit. Only one pair of bathers is to be worn. Exception to this is if the swim wear is school branded (ie water polo bathers). School caps must be worn.

### **CARNIVAL OFFICIALS – to be filled by Swim SA and IGSSA schools**

**We would like to take this opportunity to thank Swim SA and school officials for giving freely of their time, it is very much appreciated. Schools need to provide 1 x official and 2 x timekeeper**
