IGSSA Girls Rules 2022

UMPIRING

- All Wides and no-balls will be re-bowled up to 8 balls per over. After 8 balls have been bowled, wides and no-balls will not be re-bowled.
- A wide or leg-side wide will be called **only** if the ball when bowled on the matting, then deviates off the matting prior to the batting crease line.
- No Ball must be called when any ball is bowled above waist high on the full, by all bowlers including spinners.
- Any ball bouncing more than once before reaching the popping (batsmen's) crease is a No Ball.
- Wide Ball must be called when a ball is bowled onto the side of the concrete pitch or hits the straps or bowled on the grass, even if they deviate in any direction.
- Any ball that is played at by a batter that has both feet completely off the pitch shall be called Wide Ball, Dead Ball. This is to ensure the safety of the fielding side.
- Any ball that stops before reaching the batting (popping) crease shall be called No Ball, Dead Ball. This is to ensure the safety of the fielding side.
- In instances where the match is played on a hard wicket which has a gap in the matting at the halfway point of the pitch, Umpires are directed to call Dead Ball against any ball which shoots from the gap in the matting. 'Shoots' means a ball acted in an unnatural manner. This ball is to be re-bowled.

IGSSA Competition Rules

1. Team Entry and Eligibility

- 1.1 Senior A and B teams are open teams allowing selection from Years 7-12. Senior A and B are shield grades.
- 1.2 The strongest players should always play in the A team. Size, ability and physical strength must be taken into consideration when playing Middle school aged players in the A competition.

2. Provision of Umpires

- 1.1 One central umpire for each game will be organised by IGSSA EO in conjunction with SACA, unless otherwise discussed with the home team who can supply a suitably qualified umpire.
- 1.2 Each team is to provide a square leg umpire for their batting innings.

3. Results

- 3.1 A drawn match is allowed.
- 3.2 All results from the preceding week's matches must be in by COB each Tuesday afternoon. EO will update the standings tables Tuesday evenings. Standings tables will then be forwarded to all, and published on the IGSSA Website every Wednesday morning.
- 3.3 For IGSSA Premiership tables, three points will be awarded for a win, one for a draw and zero for a loss. In the event of a bye, the team drawn to have a bye will be awarded three points. In the event of a forfeit, the non-offending team will be awarded three points and a winning margin of 30 runs. The offending team will be awarded zero points and a losing margin of 30 runs.
- 3.4 1v2 Final will be scheduled with top 2 teams (finalists) playing for the shield in the nominated grades. The winner of the 1v2 Final will be awarded the shield.
 - 3.4.1 Finalists will be determined by total points initially (i.e. win/loss tally) and then score differential if points are equal but a split needs to be made.
 - 3.4.2 If a finals match is tied (i.e. the 1v2 Shield play off), the winner will be determined by a Super Over. Both teams will nominate three batters and one bowler playing a single additional over of 6 **legal** balls per team to determine the winner of the match. If a team loses two wickets in the Super Over, the over is deemed complete. If the Super Over ends in a tie, the team with the highest number of sixes in its full batting innings will be declared the winner. If there is still a tie, the winning team is the one with the highest number of fours in its full batting innings.
 - 3.4.3 If no finals match can be played and team(s) are on tied points in shield grades at the end of the season, the shield winner will be identified using the following criteria:

- i. Head-to-Head - Calculate the premiership points for games played between each team involved in the tie only. The school with the most Head-to-Head premiership points wins the shield (providing equal number of Head-to-Head games between the tied teams exist). If there is still no clear winner from Head-to-Head calculation, then:
 - ii. Score Differential - Calculate the score differential for all games played. The team with the greatest score differential will be awarded the shield. If there is still no clear winner from the score differential, then:
 - iii. The shield will be shared between all teams on tied points.
